### **IV. Weekly Report:**

#### **Week Ahead Schedule of Meetings, Hearings, and Travel May 15-21, 2017**

Acting ASLM Kate MacGregor will be in Washington, DC, attending regularly scheduled meetings.

### **Week Ahead Announcements and Actions**

**On May 24**, BLM-CA State Director Jerry Perez will meet in Sacramento with U.S. Navy Rear Admiral Yancy Lindsey, Navy Region Southwest, to discuss issues of mutual interest. The BLM and the Navy coordinate on a number of issues in CA, including military withdrawals, wild horses and burros, renewable energy, and wildlife.

**On May 24**, the BLM “Making a Difference” National Volunteer Awards ceremony will be held at the Interior Department and at selected field sites via teleconference. The awards are given for outstanding volunteer service on BLM-managed lands. Volunteers provide a variety of public services, including improving fish habitat, keeping campers safe, finding homes for wild horses and burros, and providing environmental education and other visitor services.

**On May 24 – 26**, the National Association of Counties (NACo) will host its Western Interstate Region (WIR) Conference in Sunriver, OR. The conference will focus on public lands issues and other matters of interest to western states. The BLM will conduct a workshop on cooperating agency coordination entitled, “Public Lands Planning: Where Do Counties Fit In?”

**On May 25**, BLM-AK State Director Bud Cribley will meet with Alaska Department of Natural Resources Deputy Commissioner Ed Fogels and Alaska Division of Mining, Land and Water Director Brent Goodrum to discuss strategies for revocation of public land orders established under Section 17(d)(1) of the Alaska Native Claims Settlement Act. BLM and the State have been unable to agree on BLM’s plan to use of GPS data to expedite cadastral surveys. As a result, the State has frequently delayed completing its priority land selections.

### **30-60 Day Look-Ahead**

**On May 31 – June 1**, to kick off June as Great Outdoors Month, Partners Outdoors 2017 will take place at the South Interior Building. This annual event brings partners from the public and private sectors together to highlight recreation community efforts and showcase innovation. Acting BLM Director Mike Nedd and BLM staff will participate.

**On June 3 – August 24**, planned Trans-Alaska Pipeline system shutdowns will occur for maintenance and testing of emergency systems. The first 18-hour maintenance shutdown took place on May 6 to isolate the main incoming crude header for cleaning and inspection. Alyeska Pipeline Services Company and BLM-AK’s Branch of Pipeline Monitoring will observe the shutdowns.

**On June 6**, BLM-AK will present an update on the status of the environmental cleanup at the Red Devil Mine in southwest AK to the Orutsarmiut Native Council in Bethel, AK.

**On June 8**, BLM-CO will hold an online oil and gas lease sale for 86 parcels totaling 73,288 acres in Jackson, Routt, Rio Blanco and Moffat Counties. BLM-CO removed 20 parcels in Grand County from its original parcel list due to low energy potential and reduced industry interest in the geographic area, as well as concern from local government and the public regarding impacts to water resources. Bidding is not expected to be robust.

**On June 8**, BLM-NM will hold an online oil and gas lease sale for 18 parcels totaling 4,376 acres in Roger Mills, Ellis, Canadian, and Major Counties, OK; and Live Oak, McMullen, Washington, Burleson,

and Jackson Counties, TX. This sale may be controversial as BLM received 26 protests from homeowners adjacent to Lake Somerville, TX, regarding potential impacts to water quality. Bidding is not expected to be robust.

**On June 12 – 16**, Acting BLM-MT State Director Jon Raby plans to conduct courtesy visits with members and staff of the MT, ND and SD delegations in Washington, DC to discuss public land issues, including energy development, pipelines, grazing and rangeland, mining, and fire management.

**On June 13**, BLM-MT will hold an online oil and gas lease sale for 156 parcels totaling 69,056 acres in Custer, Garfield, Fallon, Carter, Rosebud, Big Horn, and Powder River Counties. All of the parcels are located in the Miles City area. The sale is not expected to be controversial. The bidding is not expected to be particularly robust.

**On June 13**, BLM-UT will hold an online oil and gas lease sale for 20 parcels covering 23,733 acres in Sevier, Piute, Garfield, and Sanpete Counties. While approximately half of the parcels are within Sage-Grouse Priority Habitat Management Areas, the sale is not expected to be controversial. The bidding may be robust on a few parcels that are located close to a producing field.

**On June 14**, BLM-NV will hold an online oil and gas lease sale for 106 parcels totaling 195,732 acres in Nye, Eureka, and Lander Counties. The sale is expected to be controversial based on public reaction to the lease Environmental Assessment, which included concerns regarding the proximity of the parcels to wetland areas and cultural sites. Bidding has the potential to be robust.

**On June 22**, BLM-Eastern States (ES) will hold an online oil and gas lease sale for 2 parcels totaling 160 acres in AR. Bidding is not expected to be robust; the sale is not expected to be controversial.

**On June 22**, BLM-WY will hold an online oil and gas lease sale for 26 parcels totaling 31,975 acres in Laramie, Carbon, Sweetwater, Sublette, and Uinta Counties. Bidding is not expected to be robust, and the sale is not expected to be controversial.

**On June 22**, BLM and Okanogan-Wenatchee National Forest staff will be on hand to answer questions and share information about a 20-year mineral withdrawal proposal by the Forest Service on approximately 340,000 acres of land in the upper Methow River drainage in Washington State. Currently, there are pre-existing mining claims in this area and valid existing rights will be honored. The proposed action will withdraw these lands from settlement, sale, location, and entry for a period of 20 years while Congress considers legislation introduced by U.S. Senators Murray and Cantwell to permanently withdraw those areas.

**On June 22 - 25**, BLM-AK will partner with Project Healing Waters Fly Fishing to host an annual fly-fishing event for wounded veterans in the Delta Wild and Scenic River corridor.

**On June 23**, BLM-OR Myrtlewood Field Office will hold the Crystal Clear Timber Sale (116 acres; 5,605 mbf) and First Floras Timber Sale (25 acres; 1,295 mbf). This sale is potentially controversial due to ongoing conflicts between conservation interests and the logging/timber industry.

**On June 23 - 24**, BLM-NV will participate in the Reno Rodeo Extreme Mustang Makeover event. Over 40 teams made up of trainers and once-wild horses will compete for \$25,000 in prizes. All competing horses will be offered to the public through a competitive bid process.

**On June 26 - 30**, BLM-CA State Director Jerry Perez plans to conduct courtesy visits with members and staff of the CA Congressional delegation in Washington, DC to discuss public land management issues, including oil and gas development, planning efforts, wildfire, renewable energy, and recreation.

**In late-June/early July**, BLM plans to issue the Boardman to Hemingway Record of Decision. On February 28, BLM received the Biological Opinion from the National Marine Fisheries Service. BLM-OR land use plan amendments are being handled concurrently and the decision will be issued simultaneously with the ROD for the EIS and approval to issue a right-of-way grant. The ROD will be set up for ASLM approval and will be submitted in advance for review.

**On July 13**, the BLM-AK Glennallen Field Office will begin issuing permits for the 2017 - 2018 Unit 13 Federal subsistence moose and caribou hunting seasons. The BLM issues nearly 3,500 Federal subsistence permits annually and provides permitting opportunities to rural residents in Delta Junction, Cantwell, Slana, and Glennallen. Federal subsistence hunting maps, answers to frequently asked questions, and subsistence education materials and links are updated annually and available at the BLM Glennallen Field Office.

**On July 20**, BLM-NV Las Vegas Field Office will hold the Spring land sale under the Southern Nevada Public Land Management Act (SNPLMA) in Las Vegas. The BLM proposes to offer 81.25 acres of public land in 17 parcels for competitive sale. In accordance with SNPLMA, the funds generated by this proposed sale will be used for projects such as the development of parks, trails, and natural areas, capital improvements on federal lands, acquisition of environmentally sensitive land, and Lake Tahoe restoration projects. Additionally, five percent of the revenue goes to the State of Nevada General Education Fund and ten percent to the Southern Nevada Water Authority.
